Hi! I'm Gemma.

Dancing is my passion. You will probably see me dancing around the school

next year. Starting high school can be a bit scary so don't hesitate to ask me anything. My previous school was Woy Woy Public School, so if you're from there please say hi! My favourite subjects are English, Art, Textiles and Sport. I love to hang out with my friends and family but I also like to watch Netflix. Hopefully, I can make you feel confident about coming to high school. Hope to see you soon. Bye!

Group of 2020 Year 7 on RUOK day... Featuring several people from the 2021 Year 7 transition team; Haidee, Anya, Natalie, Jasmin, Jasper, and Gemma

Hey! I'm Haidee,

I like to do heaps of different things. The

beach is always the best place to be in Summer and field hockey is the best sport by far and I love art and craft and, as corny as it sounds, learning and spending time problem solving in my favourite subjects; Coding, Agriculture, Art, and English.

I love debating, public speaking and just getting my ideas out there. I love to hang out with my friends or to just read a book at home.

I have 3 other siblings; my younger and older brother and my older sister. Our family does a lot of adventure sports, like mountain climbing, kayaking, bike riding, canyoning, and heaps of hiking.

High school can be tough to start but I hope to help u guys in your transition. If you ever need help with anything, I'm here to chat.

Hey, I'm Amy!

My passions are Reading and Writing so you'll probably see me reading

on my phone next year. Starting high school can be overwhelming and confusing, so don't hesitate to ask me if you have any questions! I went to Coast Christian School in primary school, so come say hi if you went there! I love the subjects English, Geography, Art and Drama! I hope I can make your transition as easy as possible! My favourite subjects are PDHPE, Drama, English and Sport. My primary school was Wyong Public School, so if you're also from there come and say hi (I promise I won't bite). If you ever need someone to talk to or need help doing something I'm here. I can help you navigate your way around the school or help you settle into the change from primary to high school. Hopefully this team of wonderful and bright people can make this the best transition in the history of Gosford High School year 7 transition. See you soon, bye!

Hi! My name is Anya.

I like to read, play games, and not do work. :) I like to play with my friends on the oval, and I like helping

people and being friendly, so if you need anything, you can just ask. :) I came from Point Clare Public School to Gosford High School to meet new people, and especially have fun (And learn a few things along the way)! :) I know a few people coming into Year 7, and I know it can be hard, so I want to give you some tips for starting school. 1) Smile 2) Don't be shy 3) Try your best and 4) Ha! Just kidding. There is no 4! Anyway, if you can do that, then you are already on your way! :) Just be yourself, and don't worry about what anyone else thinks about you. Hope you enjoy it! :) Bye! :)

Hi everyone, I am Yash!

Congratulations on getting into Gosford High (an academically selective high

school). I will be working alongside 14 other people, and we will be guiding you around the school and teaching you almost everything you need to know about Gosford High! Firstly however, what are my hobbies, and what do I like? I am a nerd in class, but do enjoy sports. I like cricket especially, and if you were from my primary school, then you would know how much! I like eating chicken, and love maths.

I know how much people are scared from moving to other schools, and I can understand your hardships. However, our transition team will help you with your transition.

Welcome to Gosford High!
